

ChemPOG

#findyourjoi

Earthy, Citrusy, Diesel

Indica

ChemPOG is an unmistakable merge of Fruity Pebbles OG and ChemDog. This flower is airy but still holds a robust stature and offers a sharp citrus and diesel-like aroma. At Joi, we hang dry, hand trim, and cure in stainless steel containers for at least 14 days to ensure a quality finish. Joi PRDs are processed using 100% flower. Packages are filled by hand and include humidity packs inside to maintain optimal freshness. Enjoy!
