# Garlic and Funk

## Indica Dominant Hybrid

Bred by Compound Genetics and renamed by Joi Botanicals, Jet Fuel Funk was created by crossing GMO and Jet Fuel Gelato. Jet Fuel Funk's aroma is a very noticeable garlic and funk alongside gas and diesel notes. With a generous ratio of large to small buds, these ounce bags are sure to turn some heads. At Joi we hang dry, hand trim, and cure in stainless steel containers for at least 14 days to ensure a quality finish. Packages are filled by hand and include humidity packs inside to maintain optimal freshness. Enjoy!
