

Orange Kush Cake

#findyourjoi

Orange, Gas, Sour Candy

Indica Dominant Hybrid

Also known as OKC, Ethos Genetics bred Orange Kush Cake from the lineage ((Wedding Cake x Jilly Bean) x Triangle Kush) x Mandarin Cookies R2. This particular variety was chosen in part for its unique terpene structure bringing rich, complicated aromas of sharp orange, citrus, gas, sour candy, and earthy sandalwood. At Joi we hang dry, hand trim, and cure in stainless steel containers for at least 14 days to ensure a quality finish. Packages are filled by hand and include humidity packs inside to maintain optimal freshness. Enjo!
