

Platinum Scout

#findyourjoi

Sweet, Spicy, Earthy

Indica

A 100% Indica-dominant cross of Platinum x GSC (Forum cut), this special lineage bred a unique cultivar. Platinum Scout is an everyday smoke that owns a unique, dense, and furry trichome profile. It has bright and frosty buds with orange hairs and can be described as sweet, spicy, and earthy. Think herbaceous savoury stuffing with a sweet molasses aftertaste. At Joi, we hang dry, hand trim, and cure in stainless steel containers for at least 14 days to ensure a quality finish. Joi PRDs are processed using 100% flower. Packages are filled by hand and include humidity packs inside to maintain optimal freshness. Enjoy!
