Cheese, Citrus, Skunk

Sativa Dominant Hybrid

Bred by Ethos Genetics, Rainmaker is a cross of Citral Skunk and Mandarin Sunset. Rainmaker has a rich aroma of cheese, skunk, and citrus. Rainmaker buds are medium-density, above-average sized, and are lime green with orange pistils. At Joi we hang dry, hand trim, and cure in stainless steel containers for at least 14 days to ensure a quality finish. Packages are filled by hand and include humidity packs inside to maintain optimal freshness. Enjoy!
