

Super Lemon Haze CBD

#findyourjoi

Citrus

Sativa Dominant Hybrid

Welcome to Flavour Town. With notes of citrus, lemon, and sweet flavours, Super Lemon Haze CBD is perfect for enjoying throughout the day, and is a cross between Lemon Skunk and Super Silver Haze, which was then crossed with a high CBD dominant male. Nugs are pale green with striking orange hairs, underneath a beautiful coating of trichomes. At Joj we hang dry, hand trim, and cure in stainless steel containers for at least 14 days to ensure a quality finish. Packages are filled by hand and include humidity packs inside to maintain optimal freshness. Enjo!
