

Zweet Inzanity

#findyourjoi

Citrus, Earthy

Sativa Dominant Hybrid

Bred by Ethos Genetics, Zweet Inzanity is a cross of Durban Poison and Rainmaker with GG #4. This cultivar reeks of numerous aromas including pungent earthy, pine, and citrus notes. At Joi we hang dry, hand trim, and cure in stainless steel containers for at least 14 days to ensure a quality finish. Packages are filled by hand and include humidity packs inside to maintain optimal freshness. Enjo!
